Subject: DEA customers receiving PUP

Eoin, Mairin, Philip,

Following a review of the ISTS extract it appears that:

1. There are 128 recipients of Daily Expenses Allowance who received a PUP , and
2. 24 individuals who are IQAs on a DEA payment also received a PUP.

DEA is the equivalent of a SWA Basi payment – I understood that a person receiving a SWA BASI or DEA payment could not be issued with a PUP payment – they would be part of the fall-out.

The SG was adamant that DEA recipients could not receive a PUP.

How can we ensure that no further payments issue to these individuals?

Thanks,

Des
